

Akouos to Present at Piper Sandler 33rd Annual Virtual Healthcare Conference

November 22, 2021

BOSTON, Nov. 22, 2021 (GLOBE NEWSWIRE) -- Akouos, Inc. ("Akouos") (NASDAQ: AKUS), a precision genetic medicine company dedicated to developing potential gene therapies for individuals living with disabling hearing loss worldwide, today announced that Manny Simons, Ph.D., M.B.A., co-founder, president, and chief executive officer of Akouos, participated in a pre-recorded fireside chat that will be published today as part of the Piper Sandler 33rd Annual Healthcare Conference taking place November 29 to December 2, 2021.

The fireside chat will be available for on-demand viewing through the investor section of Akouos's website at www.akouos.com beginning today, Monday, November 22, 2021, and will be available for 14 days following the conference.

About Akouos

Akouos is a precision genetic medicine company dedicated to developing gene therapies with the potential to restore, improve, and preserve high-acuity physiologic hearing for individuals living with disabling hearing loss worldwide. Leveraging its precision genetic medicine platform that incorporates a proprietary adeno-associated viral (AAV) vector library and a novel delivery approach, Akouos is focused on developing precision therapies for forms of sensorineural hearing loss. Headquartered in Boston, Akouos was founded in 2016 by leaders in the fields of neurology, genetics, inner ear drug delivery, and AAV gene therapy.
